

Memorandum

MIAMI-DADE
COUNTY

Date: December 18, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Agenda Item No. 8(F)(1)(A)

Subject: Authorization to the County Mayor or his designee to Convey County-owned Properties through the Infill Housing Initiative

RECOMMENDATION

It is recommended that the Board declare surplus the County-owned properties identified in Exhibit "A" and authorize the County Mayor or his designee to convey said properties to members of the qualified developer pool that has been selected in accordance with the procedures of the Infill Housing Initiative established by Administrative Order 3-44. This item will only be presented to the full Board simultaneously with an item approving the qualified developer pool.

BACKGROUND

On January 25, 2007 the Board of County Commissioners approved Administrative Order (AO) 3-44 which established the procedures for the Infill Housing Initiative, including the conveyance of County-owned property to qualified developers selected through a Request for Qualifications (RFQ) process. The RFQ for the qualified developer pool has been issued and the selection of the pool members has been finalized by the Affordable Housing Selection Committee. However, as a result of a bid protest, an item recommending approval of the qualified developer pool has not been moved forward to the Board for approval. The bid protest hearing has been scheduled for November 9, 2007. Upon receipt of the hearing examiner's report, the recommendation for selection of the pool members will be scheduled before the next available Board agenda.

Pursuant to the AO, property that is located in the infill target areas and is appropriately sized, residentially zoned, designated for residential use in the County's Land Use Map, or located adjacent to residential uses is presented to the Affordable Housing Review Committee (AHRC) which determines whether the property is suitable for the development of affordable housing. The AHRC is comprised of representatives from various departments including General Services Administration, Planning and Zoning, Public Works, Environmental Resources Management, Water and Sewer, Building, Finance, Miami-Dade Housing Agency, Community and Economic Development, and Team Metro.

County properties that are deemed by the AHRC to be suitable for the development of infill housing must be declared surplus by the Board of County Commissioners before they can be offered to the qualified developer pool. Approximately 209 lots have been reviewed by AHRC, of which 69 have been approved for infill housing, 107 have been conditionally approved for infill housing (requiring corrective action by staff such as zoning modifications, platting, and quiet title), and 33 have been rejected for not meeting the established criteria. The attached list in Exhibit "A" includes both approved and conditionally approved lots. These lots will be offered to members of the pool through a competitive work order proposal process that encourages a mix of housing prices that are affordable to both low and moderate income households.

JUSTIFICATION:

The conveyance of these properties will help increase the stock of affordable single family housing in Miami-Dade County.

COUNTY DEED

THIS DEED, made this _____ day of _____, 200__ AD. by MIAMI-DADE COUNTY, FLORIDA, a Political Subdivision of the State of Florida, party of the first part, whose address is: Stephen P. Clark Center, 111 N.W. 1 Street Suite 17-202, Miami, Florida 33128-1963, and _____, party of the second part, whose address is _____:

WITNESSETH:

That the said party of the first part, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by the party of the second part, receipt whereof is hereby acknowledged, has granted, bargained, and sold to the said party of the second part, his/her heirs and assigns forever, the following described land lying and being in Miami-Dade County, Florida (the "Property"):

(Insert Legal Description)

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Property shall be developed with affordable housing, in accordance with the requirements of the Infill Housing Initiative established in Sections 17-121 through 128 of the Code of Miami-Dade County and the County's Infill Housing Initiative Guidelines. If the event Party of the Second Part fails to develop the home in accordance with the Infill Housing Initiative Guidelines, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause.
2. That the Property shall be developed with affordable housing within one (1) year of the recording of this deed, as evidenced by the issuance of a final Certificate of Occupancy. In the event Party of the Second Part fails to complete the construction of the home(s) within one (1) year from the date of this deed, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to

this reverter. Notwithstanding, Party of the First Part may, in its sole discretion, waive this reverter condition if Party of the First Part finds it necessary to extend the time frame in which Party of the Second Part must complete the home. Such waiver by Party of the First Part, to be effective must (i) be given prior to the event of the reverter and (ii) shall be evidenced by the preparation of a letter executed by the County Manager or his designee giving such waiver and specifying the new time frame in which Party of the Second Part must complete the home. The letter by Party of the First Part shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within (1) year from the date of this deed, any party may rely that the condition of the reverter has occurred and that title reverts to Party of the First Part.

3. That the affordable housing developed on the property shall be sold to a qualified household, as defined in Sections 17-122(n) of the Code of Miami-Dade County at or below the County's maximum sales price for affordable housing existing at the time of sale. In the event Party of the Second Part fails to sell the home to a qualified household or fails to sell the home at or below the County's maximum sales price for affordable housing, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause.

Party of the Second Part shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant;" and include the following language in the deed of conveyance:

"This property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the property shall remain affordable during the "Control Period." The "Control Period" commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every 20 years for a maximum of 60 years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

Party of the Second Part (or Successor in Interest), shall pay real estate taxes and assessments on the property or any part thereof when due. Party of the Second Part shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, except:

- a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the single family home in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and

- b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.
- c) The recordation, together with any mortgage purporting to meet the requirements of clauses (a) or (b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the single family home is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any re-entry hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

Upon receiving proof of compliance with all the deed restrictions listed above, the County shall furnish the Party of the Second Part an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

In the event the Party of the Second Part, its successors or assigns, shall violate or otherwise fail to comply with any of the restrictions and covenants set forth herein, the Party of the Second Part, its successors or assigns, shall correct or cure the default/violation within (30) days of notification of the default by the county. If the party of the Second Part, its successors or assigns, fails to remedy the default within thirty (30) days, the County shall have the right to re-enter and take possession of the property and to terminate and revert in the County the estate conveyed by this Deed to the Party of the Second Part, its successors or assigns, and by such reverter to the County, shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever; provided, that any such right of re-entry shall always be subjected to and limited by, and shall not defeat, render invalid, or limit any way the lien of any valid mortgage or Deed or Trust permitted by this Deed.

This grant conveys only the interest of the County and its Board of County Commissioners in the property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

13

IN WITNESS WHEREOF the said party of the first part has caused these presents to be executed in its name by its Board of County Commissioners acting by the Mayor of said Board, the day and year aforesaid.
